We Love Cats – Help Us Care for Them the Right Way!

We love cats! But we also understand that **not everyone feels the same**, and we deeply respect both animal lovers and those who may not be comfortable around animals for personal reasons.

At The Roast House, we wholeheartedly support Cats of Gili and assure you that the cats around us are well cared for. Since we are a restaurant, **hygiene is our top priority**. Therefore, please **do not feed the cats**. They are already well-fed with leftovers like chicken scraps, and we work closely with Cats of Gili to ensure their health and wellbeing.

If you would like to support the cats, feel free to:

- Visit Cats of Gili just next door, or
- Make a donation in the donation box provided.

Thank you for your understanding, and enjoy your holiday in Gili Trawangan!
